

Sometimes Fiction is/seems more real than fact.
For what a man perceives to be the truth is reality to him.
And do we not all rely on each other to tell us the truth?

WHAT IS THE MEANING OF LOVE?

**TO HAVE LOVE IS TO WANT PEACE,
TO HAVE PEACE IS TO WANT PURPOSE,
TO HAVE PURPOSE, IS TO WANT TRUTH,
TO HAVE TRUTH IS TO WANT LIFE,
TO HAVE LIFE IS TO WANT JESUS,
TO HAVE JESUS IS TO WANT GOD,
TO HAVE GOD IS TO WANT LOVE,**

FOR GOD IS LOVE

Prayers of a sinner

Prayer One

Rescue me my God
How can I tell others of your love if you do not show your love for me?
How will others see Christ in me if you do not bless me?
My shame is constantly before me. How can I escape but thru your grace.
I love you my God; you are my refuge in a time of trouble.
I seek your help. Defend me. Thwart those who seek to take my life.
Let others see the love I have for you, let it shine thru in all that I do.
Let me be a tool of your salvation. Do not discard me as if I was a broken toy.
Heal me; Let me talk to others of your love and compassion.
Let me tell others of your greatness. You are all powerful, and all knowing.
In you is rest for a tormented soul. I worship you. I am so glad in your power.
I am so glad in your love.
You are a Father to them who seek you. You are healer to them who seek your healing.
I bow before you in holy adoration. I am a sinner, but you are perfect in all your ways.
Father let me not be a shame to you. Let me glorify your holy and blessed name.
I am thankful for all that you have done in my life. To you I give praise and thanks giving... I call to you in humility and respect. Rescue me, hear my voice, I need you with me. I need you to seal my fate in you. Rescue me, rescue me.

Prayer Two

My Father God,
I humbly asked for forgiveness.
If I have dishonored your name anyway forgive me.
My Father God, I have glorified your name, I humbly ask you to exonerate me in Jesus name. Rescue me, be my defender, lift me up.
I have lifted up and glorified your name. I am a sinner in desperate need of forgiveness.
I worship you. You are a good, kind and gentle God.
I ask for your peace and calmness in my life.
Bless those who would harm me, prosper and protect them from all harm, that you may do the same for me. It is not vengeance that I seek but love and calmness of spirit.
My hope is you my God and my savior. Give peace that I may rest in the wings of your protection. Give me a calmness of spirit and a peace that fills me with your love.
My tears swell in my eyes, but there is no avenue for their escape.
I ask you my God to be my advocate, to be my lawyer, defend me.
Lift me up as I have lifted up your name.
Be merciful to me a sinner.

Prayer Three

Merciful God

Be with me. I am in distress; my mind is num and will not think straight.

My whole body aches, I am sore thru out my being.

I hurt, and the hurting does not want to stop. I cry to you.

I wait to hear from heaven, My God be a father to me, show your grace upon me. I am near death. It stocks me; it comes deep into my brain. My spirit does not want to fight.

My sprit wants to give up. But you are my strength, Lift me up, lest I fall and they who seek my life mock me. They gloat at my defeat. They sing triumphant songs over me.

They are glad at my demise. They claim they have done a good thing in hurting me.

He is criminal they shout, he is deserving of his fate. But you my God Be merciful to me a sinner, comfort me in my distress, I call out to you.

My eyes are shut and they are unwilling to open. My heart is beating hard and fast.

It will not stop. Help me my God. Help me. I can feel the blood rush thru my body as it pumps thru my heart. My heart is breaking, it beats hard against my chest.

My fingers are throbbing. When will this hurt stop? When will I be lifted up?

Be with me. I hurt so much.

Prayer Four

God be merciful to me a sinner.

Be with me, I am hurting, I am so angry at the situation that I find my self in.

I am trying to do a good job, yet I feel this overwhelming cloud of depression.

What have I done wrong?? What is my sin??

Please fill me with your holy spirit; I need you so much right now.

I call to you, my spirit yells out to you. Love me, be with me, rescue me from the trap I find myself in. I yearn for your peace. I yearn for you comfort,

Your love is sweet; your forgiveness covers a multitude of sins.

Your gentleness is soothing to a troubled soul.

Comfort me in spirit and in truth. Let not my prayer be unanswered.

I hurt; my whole body is in stress, my brain swells with pain.

Help me, rescue me. If I have offended you, forgive me.

It is not my desire to cause stress and harm to anyone, you know that it is in my heart that everyone should be at peace and in good health.

What profit my Lord is there in wanting to harm to others, there is no profit in it.

One only causes more torment and pain for himself. Why should I be in torment?

Let your joy and happiness surround me. Let not the evil one have an occasion to refute my love for you.

My love for you is eternal and unyielding. I will not let it go.

I ask that you give me peace and faith in you in my time of troubles

Prayer Five

Father God I worship you.
You are my salvation, my reason for living.
Without you I am nothing, forgive me my anger and my frustration.
Help me and encourage me to do well and to do a good job.
Let not an evil spirit deceive me. Bring joy into my life.
Rescue me from my troubles.
If I offended you, forgive me. Show me mercy, kindness and love.
Have compassion on me.
I really need your spirit in my life my Lord God.
Give me calmness of spirit; give me the spirit of forgiveness.
Teach me your ways. Fill me with your forgiveness and love that I may learn forgiveness and love for others.
My hope is in you, clean my mouth of ugly words, and replace them with words of love, kindness, and forgiveness.
Father God in Jesus name surround me with friends who love you.
Surround me with people that have a passionate love for you.
I need their encouragement; I need the love they have for you in my life.
It is so wonderful to converse with they whose hope is in you.
Their voice is sweet to my ears. To lessen to the love and the relationship they have with you is like soothing cold water on a hot blistering day.
I thirst for the companionship of the righteous, I yearn for their fellowship.
Father lift me up in the eyes of those who would destroy me.
Rescue me from them who would steal my salvation and send me to the pit of hell.
Rescue me my God, for I need your steady hand. I need your companionship.
If I have done wrong, show me the wickedness in me that I may turn from it.
I need to glorify your holy name, to honor it in love and respect.
Give me words to worship you, give me words to love you.
Fill me with your holy spirit with good words, take the evil words from my lips, take the ugly hateful words that come from my lips and cast them into the pit.
Replace ugly hateful words with words of love, compassion and kindness.
When I am angry, fill me with your spirit of calmness.
When I want to say ugly words, let good words come from me instead, that I may show respect for your creation and all that you have made.
Father God in Jesus name I do ask that you exonerate me.
Be my advocate and rescue me from them who seek my life.
Rescue me from them who would kill me.
